Electronic/Internet Information Sheet

Hamblen Pediatric Associates is excited to have the capability for you to view your child's information on a secure web based patient portal in the very near future. You will have the ability to view and print lab work, immunizations, medical summary and other pertinent information which may include e-visits, electronic prescription request, etc..The portal will also link to Hamblen Pediatric Associates web site where you will find paperwork which needs to be completed prior to certain visits, patient education material and announcements pertaining to Hamblen Pediatric.

In order to better serve you and your child's needs, we need to have the following information on file:

Would you like the ability to view your child's information on the Secure Patient Portal? ___Yes ___No

How would you like Hamblen Pediatric to contact you for patient reminders/important information?

- Letter
- Text Message
- Telephone
- E-mail

Please remember that it is your responsibility to keep Hamblen Pediatric informed of any changes to your contact information so that we may contact you with any information about your child.

I give permission for Hamblen Pediatric to contact me using the above methods. I understand that it is my responsibility to contact HPA in the event my contact information changes.

Child's Name: _____ DOB: _____
